# WELCOME TO THE CHAPEL MONTVILLE

---

Nestled in the heart of the Sunshine Coast hinterland, The Chapel Montville was made by hand. Every stone was cut and set by hand, and the great red cedar doors were carved long before they were ever opened for a bride. There is no other wedding venue quite like it.

The beauty is already here. Stained glass windows set into sandstone walls, an onyx floor underfoot, and a wall of leadlight at the end that opens onto the coast. It asks for very little.

*We would be honoured to host your day.*

## THE CHAPEL

*Where you say I do*

---

Glass climbs to the peak of the roof and the whole of the Sunshine Coast lies beyond it. When the sun finds the leadlight it throws colour across the stone and along the floor, and never in the same place twice. Your guests are close enough to see every glance.

*This is where it begins*

## LOOK A LITTLE CLOSER

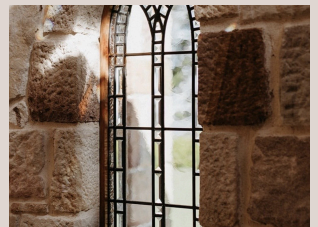

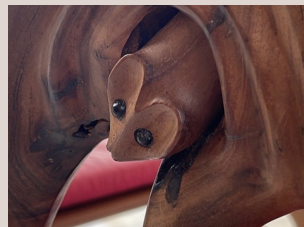

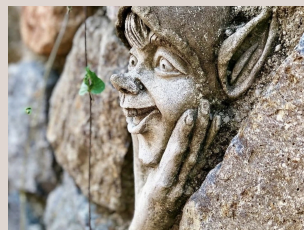

---

There is a little magic hidden throughout The Chapel.

Look closely and you will begin to find it. Creatures hand carved into the red cedar pews. Unexpected faces tucked amongst the stonework. Delicate leadlight catching the changing light.

Some details reveal themselves straight away. Others wait quietly to be discovered, perhaps as you walk the gardens, take your photographs, or return for another look.

Nothing here feels ordinary. It is these thoughtful, handcrafted details that give The Chapel its character. Romantic, intimate and just a little whimsical.

*The Chapel was made for people who  
notice the little things.*

## CUPIDS & THE GARDENS

*Where the celebration begins*

---

A pavilion walled in glass, looking back to the chapel, across the gardens and out over the whole of the Sunshine Coast. Slate underfoot, a marble bar to gather around, and seating for those who would rather sit. Beyond it, manicured lawns, white scalloped umbrellas and our vintage drinks cart. A beautiful place for your guests to settle in with a drink while you wander the estate for photographs.

## THE GALLERY

*Where you gather, feast and dance*

---

Arched leadlight windows, parquetty underfoot and a ceiling of fairy lights. Long tables or round tables, whichever suits the wedding you have pictured, candlelight, and a dance floor that runs until the last song.
